Q. Do you have a listing of gluten free products?

A. Always read labels to determine if a product meets your needs. Parents and individuals with food allergies and/or food intolerance are responsible for reading the label of all products they intend to use regardless of how the product is represented on this site.

The present formulas of these products distributed in the United States do not contain gluten in the form of wheat, rye, oats, and barley. If you have any questions, please call our Customer Service Representatives at 1-800-523-4635.
